

Let's Circle Up

Examining Values

Instructions for Small Group Work

Choose a **facilitator** whose duty is to make sure everyone has equal opportunity to share on each question.

You have **fifteen minutes** to discuss the following:

1. From who or what did we learn the value we expressed on our license plate?
2. What are some values we were taught that we no longer see as positive or healthy?
3. From who or what did we learn these unhealthy values?
