

Let's Circle Up

Pre-Intro RJ Workshop Questionnaire

Welcome to our Introduction to Restorative Justice Workshop. For each workshop we do, we ask participants to fill out pre- and post-workshop questionnaires. The answers on these questionnaires help us gauge the effectiveness and impact of the experience and help us continue to improve the curriculum.

This is a voluntary questionnaire. If you choose to fill it out, there are no right and wrong answers. **This is not a test** and will not affect your enrollment in the workshop. **These questionnaires will not be shared outside of *Let's Circle Up*. We might, however, share what we learn from the questionnaires—without using names.** If you have any questions, please ask a workshop facilitator. Thank you.

1. How would you define “crime”?

2. How would you define “justice”?

3. What does “being accountable” mean to you?

**4. How often do you think about the harm you have caused others?
(Circle the word that best reflects your response.)**
